

## Searching Listed Medical Devices on the website of

## Medical Device Division under Department of Health ([www.mdd.gov.hk](http://www.mdd.gov.hk))

Steps 1 & 2 – Search Database:

(1) Medical Device Administrative Control System

The screenshot shows the website for the Medical Device Division of the Department of Health, Government of the Hong Kong Special Administrative Region. The page features a navigation menu with the following items: About Us, What's New, Medical Device Administrative Control System (highlighted with a red box), Safety Alerts and Communications, Disciplinary actions under Medical Device Administrative Control System (MDACS), Information, Video and Publication, and Useful Information. A dropdown menu is open under 'Medical Device Administrative Control System', listing: Scope, Implementation Progress, Issued Documents, Listing Application, Examples of Medical Devices Classification, Online Tools, Report Medical Device Adverse Events, Application for Inclusion into Mailing List, and Search Database (highlighted with a red box). The main content area includes a large banner with the text 'MEDICAL DEVICE DIVISION' and a sub-header 'Implementing the Medical Device Administrative Control System (MDACS) and developing a long-term statutory regulatory framework for medical devices.' Below the banner is a 'QUICK ACCESS' section. The page also features several circular images related to medical devices and healthcare.

(2) Search Database

## Step 3 – The List of Medical Devices:

The screenshot shows the website for the Medical Device Administrative Control System. At the top left is the Department of Health logo. The main navigation bar includes links for About Us, What's New, Medical Device Administrative Control System (highlighted), Safety Alerts and Communications, Disciplinary actions under Medical Device Administrative Control System (MDACS), Information, Video and Publication, and Useful Information. A large banner features the title 'MEDICAL DEVICE ADMINISTRATIVE CONTROL SYSTEM' with various medical device images. Below the banner is a breadcrumb trail: Home > Medical Device Administrative Control System > Search Database. On the left is a sidebar menu with items like Scope, Implementation Progress, Issued Documents, Listing Application, Examples of Medical Devices Classification, and Online Tools. The main content area is titled 'Search Database' and lists several categories: Asian Medical Device Nomenclature System (AMDNS), The List of Medical Devices (highlighted with a red box and a blue arrow), Thematic Medical Devices, The List of Local Responsible Person (LRP), The List of Importers, The List of Distributors, The List of Local Manufacturers, and The List of Conformity Assessment Bodies (CAB).

# MEDICAL DEVICE ADMINISTRATIVE CONTROL SYSTEM

[Home](#) > [Medical Device Administrative Control System](#) > [Search Database](#) > The List of Medical Devices

## The List of Medical Devices

[About the List of Medical Devices](#)

**Quick Search** **Advanced Search**

Full Data  Valid Data  Expired / Delisted Data

Please enter keyword(s)

This exact word or phrase  
 Any of these words(for two or more keywords separated with **space**)

**Note:**  
1. "Full data search" includes listed, expired/delisted Medical Devices  
2. When "Enter" is pressed for the search field, the default result display would be the "Full data search"

**(4) Quick Search**

**(5) Enter Keyword(s) of the Medical Devices**

**(6) Search**

## Steps 4 - 6 – Advanced Search:

The screenshot displays the Medical Device Administrative Control System (MDACS) website. The header includes the Department of Health logo and navigation tabs: About Us, What's New, Medical Device Administrative Control System (highlighted), Safety Alerts and Communications, Disciplinary actions under Medical Device Administrative Control System (MDACS), Information, Video and Publication, and Useful Information. A search bar at the top right contains the text "(4) Advanced Search".

The main content area shows a search interface with a "Quick Search" dropdown and an "Advanced Search" button (highlighted with a red box). Below the search bar are radio buttons for "Full Data" (selected), "Valid Data", and "Expired / Delisted Data". A table of search criteria is displayed, with a red box highlighting the entire table:

Listing No (HKMD No.)	Contains	<input type="text"/>
Make	Contains	<input type="text"/>
Model	Contains	<input type="text"/>
AMDNS Term	Contains	<input type="text"/>
Class	Contains	<input type="text"/>
AMDNS Code	Contains	<input type="text"/>
Description	Contains	<input type="text"/>
LRP	Contains	<input type="text"/>
Manufacturer	Contains	<input type="text"/>

Below the table are radio buttons for "Match all conditions" (selected) and "Match any conditions". A "Search" button (highlighted with a red box) and a "Reset" button are at the bottom. A red box labeled "(5) Enter Keyword(s) of the Medical Devices" points to the search criteria table. A red box labeled "(6) Search" points to the Search button.

The left sidebar contains a "Search Database" section with a list of search options:

- Asian Medical Device Nomenclature System (AMDNS)
- The List of Medical Devices – Thematic Medical Devices
- The List of Local Responsible Person (LRP)
- The List of Importers
- The List of Distributors
- The List of Local Manufacturers

\*Remarks: - Please use English language to search the information in English website.

- The language of the information for the medical devices shown in this database are provided by the applicant. Most of the information are submitted in English.
